

## Exhibitor Request

### 2019 Mayo Clinic Vascular Symposium

### March 28 – 30, 2019

Dear Healthcare Education Supporter,

On behalf of the Mayo Clinic Department of Cardiovascular Medicine, I am pleased to announce our upcoming course, [2019 Mayo Clinic Vascular Symposium](#), which will be held at the Omni Amelia Island Plantation Resort, Amelia Island, Florida from March 28 – March 30, 2019.

The purpose of this conference is to not only provide an overview of the current issues in peripheral vascular disease, but to step into the future of peripheral vascular disease evaluation and management with sessions on the application of genomics and robotics. Through didactic and interactive sessions, this conference will highlight the multidisciplinary approach to peripheral vascular disease including: vascular surgery, vascular medicine, interventional radiology, cardiology, and other specialists at Mayo Clinic. Poster presentations and workshops will be of interest to various vascular specialists and trainees.

This letter is an invitation to exhibit only. You will be provided with a 6' draped table and will be appropriately recognized to our attendees. Continental breakfasts and refreshment breaks will be available in the exhibit area to encourage participant interaction with industry representatives. The program will follow ACCME industry guidelines. Invitations to exhibit have been extended to several companies. The exhibit fee is **\$2,500**. To participate in this program, please complete/sign the enclosed Exhibitor Agreement and Exhibitor Registration Form. The funds (made payable to Mayo Clinic, Federal Tax ID # 41-6011702) must be received by **March 1, 2019**. Please return your completed forms to the meeting planner below.
