INNOVATIONS IN ATRIAL FIBRILLATION

Impacting Quality of Life and Stroke Risk

GRAND HYATT SEATTLE
SEATTLE, WASHINGTON
OCTOBER 18–19, 2019

EXHIBITOR PROSPECTUS

DEAR EXHIBITOR,

On behalf of Mayo Clinic Department of Cardiovascular Medicine, we are pleased to announce the **Innovations in Atrial Fibrillation: Impacting Quality of Life and Stroke Risk** conference.

Conference details are available at: cveducation.mayo.edu

The program will highlight the diagnosis and management of cardiac arrhythmias which can present as medical emergencies where immediate treatment is needed. Faculty will provide comprehensive updates on the diagnosis, treatment and management in atrial fibrillation. Contributing factors to the onset of atrial fibrillation and anticoagulation management options will be reviewed. Faculty will share “pearls” to aid in the evaluation and assessment of patients seen in daily practice.

Learning Objectives

- Interpret practice guidelines for atrial fibrillation
- Discuss the methods for atrial fibrillation detection
- Identify appropriate anticoagulation strategies for atrial fibrillation
- Describe unusual contributors to atrial fibrillation
- Develop a team-based approach for evaluation and care of stroke patients with atrial fibrillation

Product exhibits will be available during the conference on October 18-19, 2019. Exhibitors will be able to have displays during breakfasts, morning and afternoon breaks, and lunches. Attendee meal functions excluding lunch will be offered within the exhibit space.

Your company is invited to participate in the conference by providing an exhibit fee in the amount of \$2,200. Included with the exhibit fee is a table (6 ft), chairs, in addition to all meals provided by the conference (breakfast, breaks, lunch, and reception). This fee does not include attendance at the lectures, and exhibitor representatives wishing to participate in the lectures must register for the conference separately. All exhibitors will be acknowledged in conference materials and at the conference. As an organization approved by the Accreditation Council for Continuing Medical Education (ACCME) to provide accredited continuing medical education (CME), Mayo Clinic conducts such programs in accordance with the policies and guidelines of that organization. As indicated in the ACCME Standards for Commercial Support, live promotional activities will be kept separate from the CME.

If you are interested in exhibiting at this conference, please see the additional information included in this prospectus and complete and return the forms as indicated by **September 15**. If there is an additional person at your organization with whom we should correspond, please let us know.

We are excited about this program and hope that you will join us in Seattle in October.
