

Interventional Cardiology Online Board Review Course

Terms of Use

Disclaimer

This information is made available by Mayo Clinic for educational purposes only. The material is not medical advice and is not intended to represent the only, or best, methods or procedures appropriate for the medical situation discussed; rather is intended to present an approach, view, statement or opinion of the presenters that may be helpful or of interest to other practitioners.

Procedures, products or instrumentation systems used, discussed and/or demonstrated may be experimental and may not have yet received FDA approval.

All rights reserved. You may not copy, distribute, broadcast, sell, edit, create new works from, or publically perform or display course materials without the permission of Mayo Clinic.

No Warranties

You understand and agree that the content or information contained or provided herein is provided on an "as is" basis. Mayo Clinic College of Medicine, does not make any express or implied warranties, representations or endorsements whatsoever (including without limitation warranties of title or non-infringement, or the implied warranties of merchantability or fitness for a particular purpose) with regard to the information, content or service provided herein. In addition, Mayo Clinic College of Medicine does not guarantee this product will be free from technological difficulties and you understand that you are responsible for implementing sufficient procedures and checkpoints to satisfy your particular system requirements for accuracy of data input and output.

Limitation of Liability

The use of this service is entirely at your own risk, and in no event shall Mayo Clinic be liable for any direct, indirect, incidental, consequential, special, exemplary, punitive, or any other monetary or other damages, fees, fines, penalties, or liabilities arising out of or relating in any way to content, information, or service provided herein.

User Agreements

By accepting these materials, you agree that you will not:

1. Transmit any communications or content of any type that may infringe or violate any rights of any party.
2. Use this course material for any purpose in violation of local, state, national or international laws.
3. Use this course material as a means to distribute advertising or other unsolicited material to any third party.

4. Use this course material in connection with any material that is unlawful, obscene, defamatory, threatening, harassing, abusive, slanderous, hateful or embarrassing to any other person or entity.

Copyright and Trademark Information

The marks "Mayo," "Mayo Clinic," and the triple-shield Mayo logo are trademarks and/or service marks of Mayo Foundation for Medical Education and Research. The content and designs are protected by U.S. and international copyright laws. You may not copy, reproduce, republish, upload, post, display, transmit, or frame any of these materials without prior written consent from the copyright owners, except that you may view, display and print a single copy of these materials on a single computer for personal, noncommercial use only, so long as (1) you do not alter or modify the materials in any way; (2) you include all applicable notices and disclaimers (including copyright notices), and (3) you do not use the materials in a way that suggests an association with Mayo Clinic or an affiliated Mayo entity. You understand and agree that title to these materials shall not pass to you or any other user.

Disputes

By accepting these materials, you agree the rights and obligations herein shall be governed by the laws of the state of Minnesota, except that no state of Minnesota conflicts-of-law or choice-of-laws provisions shall apply; and the exclusive forums for any actions are the State District Court sitting in Olmsted County, Minnesota, or the United States Court for the District of Minnesota. You unconditionally agree to be personally subject to the jurisdiction of such court.

Faculty Disclosure

As a provider accredited by ACCME, Mayo Clinic College of Medicine and Science (Mayo Clinic School of Continuous Professional Development) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course Director(s), Planning Committee Members, Faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in activity materials so those participants in the activity may formulate their own judgments regarding the presentation.
