EXHIBITOR PROSPECTUS

DEAR EXHIBITOR,

On behalf of Mayo Clinic Department of Cardiovascular Medicine, we are pleased to announce the **Foundations in Cardiology Practice** conference. This is the first annual continuing medical education offering will bring together experts in cardiovascular disease for an intensive, comprehensive review of the fundamentals and most important changes in cardiovascular medicine. Program topics will provide details to ensure patients receive the highest, most-up-to-date quality of care and achieve the best possible outcomes. Cardiologists, advanced healthcare professionals and primary care providers will benefit from the wide number of cardiovascular topics discussed to confirm and enhance their practice for patients seen daily. We are anticipating 100 – 150 participants.

Program details are available at: cveducation.mayo.edu

Product exhibits will be available during the conference on **May 19-21, 2021** at the Omni Amelia Island Hotel. Exhibitors will be able to have displays during breakfasts, morning and afternoon breaks, and lunches. Attendee meal functions excluding lunch will be offered within the exhibit space. Space limits or social distancing may be effective passed on the pandemic status.

Your company is invited to participate in the conference by providing an exhibit fee in the amount of \$2,500. Included with the exhibit fee is a table (6 ft), two chairs, recognition of exhibitors on website and onsite. This fee does not include attendance at the lectures, and exhibitor representatives wishing to participate in the lectures must register for the conference separately. All exhibitors will be acknowledged in conference materials and at the conference. As an organization approved by the Accreditation Council for Continuing Medical Education (ACCME) to provide accredited continuing medical education (CME), Mayo Clinic conducts such programs in accordance with the policies and guidelines of that organization. As indicated in the ACCME Standards for Commercial Support, live promotional activities will be kept separate from the CME.

If you are interested in exhibiting at this conference, please see the additional information included in this prospectus and complete and return the forms as indicated by **May 1, 2022**. If there is an additional person at your organization with whom we should correspond, please let us know.

We are excited about this program and hope that you will join us.

Exhibit Policies

Each company may designate up to two persons to be responsible for the exhibit space during the exhibit times. Exhibit representatives are not eligible to enter the educational sessions unless registered as an attendee. Exhibit reps who wish to register as an attendee are not eligible to obtain a syllabus unless they are also a registered healthcare provider.

Exhibits and exhibitors must comply with all relevant Mayo Clinic, American Medical Association, and Accreditation Council for Continuing Medical Education policies.

At the discretion of the meeting organizers, exhibitors may be permitted to attend one or two talks or presentations within the activity without payment of a registration fee. Exhibitor representatives shall not be invited to, or included in, attendee or faculty dinners within the activity program. Mayo Clinic considers including representatives of exhibitor organizations in such events to create a perceived conflict of interest that may negatively influence attendees' view of the event, Mayo Clinic, or Mayo Clinic representatives.

Exhibitors shall not distribute materials of a promotional nature to participants. Providing items for healthcare professionals' use, even if they are practice-related items of minimal value, may foster misperceptions that company interactions with healthcare professionals are not based on informing them about medical and scientific issues. Such non-educational items should not be offered even if they are accompanied by educational materials.

Each exhibitor must make provisions for the safeguarding of their goods, materials, equipment and display at all times. No formal security will be hired for this meeting. It is understood that Mayo Clinic is not liable for any loss or damages to property or personal injury caused by the exhibitor or his agents, representatives, employees, or any other persons. It is further understood and agreed that Mayo Clinic shall not be held liable to an exhibitor for any lost profits, sales, or business opportunities or any other type of direct or consequential damages alleged to be due from a breach of these policies.

TERMS AND CONDITIONS

As a condition of exhibiting and when applying for exhibit space, a conference exhibitor (Exhibitor) agrees to abide by the following:

INDEMNIFICATION AND LIABILITY

Neither party will be liable for delayed performance or inability to perform due to acts of God or the public enemy, war, acts of terrorism, riot, embargo, sabotage, flood, tornado, accident, or any circumstance of similar or different character beyond a party's reasonable control, including without limitation unavoidable fire, explosion, transportation delays, or labor trouble.

Exhibitor assumes full responsibility for the timely, safe, and proper installation, removal, and maintenance of its property, exhibits, equipment, and personal belongings and for the safe and proper occupancy and use of the exhibition premises and any part thereof.

Exhibitor hereby releases and discharges Mayo Clinic, Mayo Clinic Cardiovascular Department CME, hotel, and the employees and agents of any of these entities from any and all claims, losses, and damages to person or property arising out of or in connection with Exhibitor's installation, maintenance, and removal of Exhibitor's property, exhibits, equipment, and personal belongings and its occupancy or use of the exhibition premises or any part thereof, except for such loss or damage that is directly caused by the negligence of Mayo Clinic, Mayo Clinic Cardiovascular Department CME, hotel, or the agents or employees of any of these entities.

Exhibitor understands and acknowledges that Mayo Clinic, Mayo Clinic Cardiovascular Department CME, and hotel, do not maintain insurance covering Exhibitor's property and that it is the sole responsibility of the Exhibitor to obtain such insurance coverage.

CME Guidelines Related to Educational Grants, Exhibit Space and Promotional Activities:

In compliance with ACCME Standards for Commercial Support, arrangements for commercial exhibits or advertisements cannot influence or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.

- Exhibit and other promotional fees shall be separate and distinct from educational grants/commercial support.
- All exhibitors must be in a room or area separate from the education and the exhibits must not interfere or in any way compete with the learning experience prior to, during, or immediately after the activity.
- Company representatives must refrain from holding any commercial discussions in the educational classroom. All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor's space. Canvassing or distributing promotion materials outside the exhibitor's rented exhibit space is not permitted.
- Commercial interest representatives may attend CME activities for the sole purpose of the representatives' own education. However, they may not engage in sales or marketing activities while in the educational classroom.

Liability:

Neither Mayo Clinic Cardiovascular CME or the hotel, the employees thereof, nor their representatives, nor any member of the Conference Committee shall be responsible for injury, loss, or damage that may occur to the Exhibitor or his property from any cause whatsoever, prior to, during, or subsequent to the period of the Exhibit. The Exhibitor agrees to indemnify, the Mayo Clinic Continuous Professional Development, Mayo Clinic Cardiovascular CME, and the hotel and their employees, volunteers, and committees from any and all claims for loss, damage, or injury. Exhibitors are encouraged to insure themselves against property loss or damage, and against both general and personal liability.

Exhibitor understands and agrees that, for the safety of conference attendees, Exhibitor shall not perform any procedures on or provide any services to conference attendees that are either invasive or are customarily performed in a practitioner's office.
