

Dear Potential Exhibitor:

On behalf of Course Directors, Doctors Carole Warnes and Kyle Klarich, and the Mayo School of Continuous Professional Development, I am inviting you to exhibit at the Annual **Snowmass Cardiovascular Cases, Controversies, and Challenges** course which had been previously run via ACC. The dates for 2022 are January 5-9 in Snowmass at The Westin. Each year, we have approximately 250 cardiologists, anesthesiologists, surgeons, PAs, and RNs.

The course will update your knowledge of current diagnostic and therapeutic strategies of patients with cardiovascular disease. More than half of Snowmass attendees return, a testament to the excellent quality of the conference which has a more than 50-year history. If you are a first-time attendee, you will find a unique conference that features state-of-the-art knowledge aligned with practical decision-making set in an interactive program that includes discussions, case presentations and debates. The faculty, comprising renowned experts and investigators, will offer insights and practical clinical advice for dealing with common cardiovascular problems incorporating the latest research and clinical guidelines focusing on the last two years.

In the program we have provided ample time for participants to review the latest updates from your company via live and virtual exhibits. The virtual exhibits will be open for viewing one week prior to the start of the conference and will close 30 days after. Viewing is available during all meal functions.

An exhibit fee of \$3,000 is requested. Funds will be used towards the exhibit space which will include 10x10 space, acknowledgement on signage and on-line syllabus.
