

Contemporary Review of Advances in Cardiac Ablation: New Tips, Techniques, and Technologies for Complex Arrhythmia Management

COURSE LOCATION

The Mayflower Hotel 1127 Connecticut Ave NW Washington, DC 20036

Conference details and program schedule are available online: cveducation.mayo.edu

EXHIBITOR PROSPECTUS

DEAR EXHIBITOR,

On behalf of Mayo Clinic Department of Cardiovascular Medicine, we are pleased to announce the Contemporary Review of Advances in Cardiac Ablation: New Tips, Techniques, and Technologies for Complex Arrythmia Management course.

This course will provide comprehensive instruction for diagnosing common and complex cardiac arrhythmias in the electrophysiology laboratory and achieving effective and safe ablation. Casebased illustrative presentations will highlight diagnostic dilemmas and key management strategies. Experts discussing detailed patient cases provide a step-by-step analysis and indepth review of approaches to catheter ablation for the spectrum of cardiac arrhythmias.

Product exhibits will be available during the conference on **October 18 – 20, 2023**. Exhibitors will be able to have displays during breakfasts, morning and afternoon breaks, and lunches. Attendee meal functions excluding lunch will be offered within the exhibit space. We anticipate 75 participants caring for patients with rhythm disorders.

Your company is invited to participate in the conference by providing an exhibit fee in the amount of \$2,500. Included with the exhibit fee is a table (6 ft), chairs, in addition to all meals provided by the conference (breakfast, breaks, lunch, and reception). This fee does not include attendance at the lectures, and exhibitor representatives wishing to participate in the lectures must register for the conference separately. All exhibitors will be acknowledged in conference materials and at the conference. As an organization approved by the Accreditation Council for Continuing Medical Education (ACCME) to provide accredited continuing medical education (CME), Mayo Clinic conducts such programs in accordance with the policies and guidelines of that organization. As indicated in the ACCME Standards for Commercial Support, live promotional activities will be kept separate from the CME.

If you are interested in exhibiting at this conference, please see the additional information included in this prospectus and complete and return the forms as indicated by **September 15**. If there is an additional person at your organization with whom we should correspond, please let us know.

We are excited about this program and hope that you will join us in the nation's capital.

If you have any questions about this conference or need additional information, please contact:

Charlene Tri | 507-284-1986 | ctri@mayo.edu |

Sincerely,

Advanced Catheter Ablation Course Directors

Abhishek J. Deshmukh, MBBS Mayo Clinic, Rochester, MN

Win-Kuang Shen, MD Mayo Clinic, Scottsdale, AZ

Komandoor Srivathsan, MD Mayo Clinic, Scottsdale, AZ

The Mayflower Hotel

1127 Connecticut Avenue NW Washington, DC 20036

PROMOTIONAL OPPORTUNITIES

Internet- \$7,000.00 (Exclusive)

Help attendees stay connected with their office and home while away at the conference. Sponsor the wireless internet access in the meeting space for Meeting attendees. The supporter will be recognized throughout the meeting in signage and electronic communications.

Product Theater - \$20,000

Non-CME product theater will give your company the opportunity to bring in an expert speaker, present directly to attendees and educate them on your latest and greatest products, devices, and pharmaceuticals. Contact the education specialist for detailed information.

Exhibit Policies

Each company may designate up to two persons to be responsible for the exhibit space during the exhibit times. Exhibit representatives are not eligible to enter the educational sessions unless registered as an attendee. Exhibit reps who wish to register as an attendee are not eligible to obtain a syllabus unless they are also a registered healthcare provider.

Exhibits and exhibitors must comply with all relevant Mayo Clinic, American Medical Association, and Accreditation Council for Continuing Medical Education policies.

At the discretion of the meeting organizers, exhibitors may be permitted to attend one or two talks or presentations within the activity without payment of a registration fee. Exhibitor representatives shall not be invited to, or included in, attendee or faculty dinners within the activity program. Mayo Clinic considers including representatives of exhibitor organizations in such events to create a perceived conflict of interest that may negatively influence attendees' view of the event, Mayo Clinic, or Mayo Clinic representatives.

Exhibitors shall not distribute materials of a promotional nature to participants. Providing items for healthcare professionals' use, even if they are practice-related items of minimal value, may foster misperceptions that company interactions with healthcare professionals are not based on informing them about medical and scientific issues. Such non-educational items should not be offered even if they are accompanied by educational materials.

Each exhibitor must make provisions for the safeguarding of their goods, materials, equipment, and display at all times. No formal security will be hired for this meeting. It is understood that Mayo Clinic is <u>not</u> liable for any loss or damages to property or personal injury caused by the exhibitor or his agents, representatives, employees, or any other persons, with the exception of that caused by or resulting from the sole and gross negligence of Indemnified parties. It is further understood and agreed that Mayo Clinic shall not be held liable to an exhibitor for any lost profits, sales, or business

opportunities or any other type of direct or consequential damages alleged to be due from a breach of these policies.

CME Guidelines Related to Educational Grants, Exhibit Space and Promotional Activities:

In compliance with ACCME Standards for Commercial Support, arrangements for commercial exhibits or advertisements cannot influence or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities.

- Exhibit and other promotional fees shall be separate and distinct from educational grants/commercial support.
- All exhibitors must be in a room or area separate from the education and the
 exhibits must not interfere or in any way compete with the learning experience
 prior to, during, or immediately after the activity.
- Company representatives must refrain from holding any commercial discussions in the educational classroom. All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor's space. Canvassing or distributing promotion materials outside the exhibitor's rented exhibit space is not permitted.
- Commercial interest representatives may attend CME activities for the sole purpose of the representatives' own education. However, they may not engage in sales or marketing activities while in the educational classroom.
