

## Exhibitor Request

### Internal Medicine Review for Nurse Practitioners, Physician Assistants, and Primary Care Physicians September 13-15, 2023

We are announcing the 25<sup>th</sup> Annual *Internal Medicine Review for Nurse Practitioners, Physician Assistants, and Primary Care Physicians* continuing medical education course to be held September 13-15, 2023 at the Mayo Civic Center in Rochester, Minnesota. This annual interdisciplinary course offers participants an overview of current topics in internal medicine including interactive case studies using automated audience response system. Interdisciplinary speakers present diverse clinical topics chosen for applicability to NP/PA and primary care physician practice settings. As complex patients transition care to the outpatient arena, current guideline-based medicine typically initiated in the hospital setting continues to be important as patients transition out of the acute care setting. The annual attendance is between 225 and 250 learners each year!

The exhibit fee of **\$2500 includes an 8 ft. exhibit table for the duration of the course (3 days)**. Exhibit space will be accommodated on a first-come, first-serve basis; please reserve your space early. To be listed as an exhibitor, your check and agreement, payable to Mayo Clinic, Federal ID# 41-6011702, needs to be received by September 1, 2022. Payment is for exhibit opportunity only. Attendees will be available for viewing exhibits during each breakfast and refreshment break. The exhibit is open to all pharmaceutical companies. The exhibit space is separate from the CME discussions.

To participate in this program, please complete/sign the Exhibitor Agreement and Exhibitor Registration Form. The funds (made payable to Mayo Clinic, Federal ID #41-6011702) may be received no later than **September 1, 2023**. Please return your completed/signed Letter of Agreement to the meeting planner, Jessica Hemenway, at the address/fax listed below:
