Exhibit Policies

Each company may designate up to two persons to be responsible for the exhibit space during the exhibit times. Exhibit representatives are not eligible to enter the educational sessions unless registered as an attendee. Exhibit reps who wish to register as an attendee are not eligible to obtain a syllabus unless they are also a registered healthcare provider.

Exhibits and exhibitors must comply with all relevant Mayo Clinic, American Medical Association, and Accreditation Council for Continuing Medical Education policies.

At the discretion of the meeting organizers, exhibitors may be permitted to attend one or two talks or presentations within the activity without payment of a registration fee. Exhibitor representatives shall not be invited to, or included in, attendee or faculty dinners within the activity program. Mayo Clinic considers including representatives of exhibitor organizations in such events to create a perceived conflict of interest that may negatively influence attendees' view of the event, Mayo Clinic, or Mayo Clinic representatives.

Exhibitors shall not distribute materials of a promotional nature to participants. Providing items for healthcare professionals' use, even if they are practice-related items of minimal value, may foster misperceptions that company interactions with healthcare professionals are not based on informing them about medical and scientific issues. Such non-educational items should not be offered even if they are accompanied by educational materials.

Each exhibitor must make provisions for the safeguarding of their goods, materials, equipment and display at all times. No formal security will be hired for this meeting. It is understood that Mayo Clinic is not liable for any loss or damages to property or personal injury caused by the exhibitor or his agents, representatives, employees, or any other persons. It is further understood and agreed that Mayo Clinic shall not be held liable to an exhibitor for any lost profits, sales, or business opportunities or any other type of direct or consequential damages alleged to be due from a breach of these policies.

TERMS AND CONDITIONS

As a condition of exhibiting and when applying for exhibit space, a conference exhibitor (Exhibitor) agrees to abide by the following:

INDEMNIFICATION AND LIABILITY

Neither party will be liable for delayed performance or inability to perform due to acts of God or the public enemy, war, acts of terrorism, riot, embargo, sabotage, flood, tornado, accident, or any circumstance of similar or different character beyond a party's reasonable control, including without limitation unavoidable fire, explosion, transportation delays, or labor trouble.

Exhibitor assumes full responsibility for the timely, safe, and proper installation, removal, and maintenance of its property, exhibits, equipment, and personal belongings and for the safe and proper occupancy and use of the exhibition premises and any part thereof.

Exhibitor hereby releases and discharges Mayo Clinic, Mayo Clinic Cardiovascular Department CME, hotel, and the employees and agents of any of these entities from any and all claims, losses, and damages to person or property arising out of or in connection with Exhibitor's installation, maintenance, and removal of Exhibitor's property, exhibits, equipment, and personal belongings and its occupancy or use of the exhibition premises or any part thereof, except for such loss or damage that is directly caused by the negligence of Mayo Clinic, Mayo Clinic Cardiovascular Department CME, hotel, or the agents or employees of any of these entities.

Exhibitor understands and acknowledges that Mayo Clinic, Mayo Clinic Cardiovascular Department CME, and hotel, do not maintain insurance covering Exhibitor's property and that it is the sole responsibility of the Exhibitor to obtain such insurance coverage.

- All exhibitors must be in a room or area separate from the education and the exhibits must not interfere or in any way compete with the learning experience prior to, during, or immediately after the activity.

All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor's space. Canvassing or distributing promotion materials outside the exhibitor's rented exhibit space is not permitted.
