

**Scholarship Nomination Request for**  
**Mayo Clinic Interventional Cardiology Board Review**

September 8-10, 2017 – Mayo Civic Center, Rochester, Minnesota

You and your trainees are invited to participate in a Scholarship Program designed to enhance preparation for the interventional cardiology boards.

Fellows are able to obtain a comprehensive review of a broad range of subjects by frequent interaction and discussion with their peers. One successful tactic to promote this interaction has been to identify a suitable fellow to be responsible for running frequent “board review” sessions with their peers.

We would like to support this concept by offering a scholarship to attend our *Mayo Clinic Interventional Cardiology Board Review* to three exceptional fellows. This three-day course highlights interventional cardiology topics and information with practical application in studying for board certification in interventional cardiology. We are offering a scholarship program to outstanding fellows who are currently enrolled in an accredited interventional or cardiovascular fellowship program. The purpose of this program is to encourage a scholarship fellow to take this information back to their institution and conduct teaching and discussion sessions with his/her peers. The scholarship award includes the following:

- **Complimentary conference tuition**
- **DVD set of the 2016 course lectures**

For more information on this course, please visit our website at: [cveducation.mayo.edu](http://cveducation.mayo.edu)

Scholarship applications must include: completed application form, letter of recommendation from training director, personal statement of career interest from applicant, and current curriculum vitae. Included in the letter of recommendation should be information regarding current level of training and confirmation of plans to remain in an accredited cardiology fellowship program in 2017. The selection process will be based upon the qualities of:

- ❖ Knowledge of cardiovascular diseases and interventional cardiology
- ❖ Interest in education
- ❖ Evidence of academic leadership

The deadline for receipt of scholarship packet is **June 1, 2017**.

We look forward to reviewing your application.

Sincerely,

*Course Directors*

Gregory W. Barsness, M.D.

Rajiv Gulati, M.D., Ph.D.

Abhiram Prasad, M.D.

Eric H. Yang, M.D.
