

Dear Exhibitor:

We are pleased to announce the upcoming educational program entitled, *Annual Cardiology at Cancún: Topics in Clinical Cardiology*. The program will be held at the Marriott Cancún Resort from **February 24-28, 2025**. The course directors are Drs. Guy S. Reeder and Steve R. Ommen.

We continue to hold this conference in Cancun each year due to past and increasing attendance each year as well as affordability of the program for both the conference, attendees, and exhibitors. The flexibility and cost effectiveness of not only the flights but the lodging accommodations allows for a wide variety of attendees as well as sponsors. We anticipate around 225 attendees.

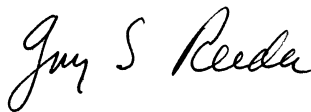

The purpose of the meeting is to present practical state-of-the-art knowledge in cardiovascular diagnosis and therapy. The scope of the program is comprehensive and will cover prevention, ischemic heart disease, heart failure, valvular heart disease, and heart rhythm disorders. Expert faculty will present evidence-based and practical clinical approaches to diagnosis and treatment. A case-based format with audience response interaction and ample time for discussion is planned. Late afternoon audience-interactive sessions on ischemic heart disease, heart failure, and arrhythmias are planned.

To participate, an exhibit fee is requested in the amount of \$2,500. You will be acknowledged at the meeting and have the opportunity to exhibit. To support this program, please complete the following:
