Aspen Snowmass Guarantee – Our guarantee allows guests to take advantage of our great savings without risk. We guarantee guests have nothing to lose, even if they do not use all their days by providing the opportunity to return partially used lift tickets, **within 14 days of expiration**, and receive an in-resort credit toward future Aspen Skiing Company purchases. When unused days on lift tickets are put into an in-resort account, guests receive monetary credit of the per day price of the unused days. Guests have the current season plus the season immediately following to use their in-resort credit. This credit may be used toward purchases of lift tickets, season passes, ski and snowboard school tickets, and toward rentals at Four Mountain Sports. Credit is not valid on merchandise purchases or at restaurants. In-resort credit is transferable; guests simply need to inform Aspen Skiing Company who will use the credit and we will put it in their name.
