

EXHIBITOR PROSPECTUS

Mayo Clinic Echocardiography

Comprehensive Review Course for Boards and Clinical Practice

May 2 – 6, 2026

Hilton Rochester Mayo Clinic | Rochester, MN

DEAR EXHIBITOR,

On behalf of Mayo Clinic Department of Cardiovascular Medicine, we are pleased to announce the **2026 Mayo Clinic Echocardiography Comprehensive Review Course for Boards and Clinical Practice** conference scheduled for **May 2 – 6, 2026**. You are invited to exhibit at the program to provide a valuable extension of the education content.

Conference details are available at: cveducation.mayo.edu

This course is specifically designed to prepare attendees for success on the National Board of Echocardiography (NBE) certification exam and for individuals looking to refresh and replenish their echocardiography knowledge. Expert faculty will discuss the relevant advances in techniques and the limitations of each modality. This activity has been approved for **37.25 AMA PRA Category 1 Credits™**.

Program Highlights

- Ultrasound Physics
- 2D and M-Mode
- Hemodynamics
- Valvular Heart Disease
- Ischemic Heart Disease
- Heart failure and Cardiomyopathies
- Pericardial Disease
- Congenital Heart Disease
- Strain and 3-D Echocardiography

Exhibits will be available during the conference on **May 2 – 6, 2026**. Exhibitors will be able to have displays during breakfasts and morning breaks. We are anticipating 150-plus participants for this medical education program focusing on echocardiography integration into clinical management.

Your company is invited to participate in the conference by providing an exhibit fee in the amount of \$2,500. This fee does not include attendance at the lectures, and exhibitor representatives wishing to participate in the lectures must register for the conference separately. All exhibitors will be acknowledged in conference materials and at the conference. As an organization approved by the Accreditation Council for Continuing Medical Education (ACCME) to provide accredited continuing medical education (CME), Mayo Clinic conducts such programs in accordance with the policies and guidelines of that organization. As indicated in the ACCME Standards for Commercial Support, live promotional activities will be kept separate from the CME.

If you are interested in exhibiting at this conference, please see the additional information included in this prospectus and complete and return the forms as indicated by **April 4, 2026**. If there is an additional person at your organization with whom we should correspond, please let us know.

We are excited about this program and hope that you will join us in 2026. If you have any questions about this conference or need additional information, please contact:

Lucas Westergaard | 507-993-9575 | Westergaard.lucas@mayo.edu

Sincerely,

Course Directors

EXHIBITOR POLICIES

Each company may designate up to two persons to be responsible for the exhibit space during the exhibit times. Exhibit representatives are not eligible to enter the educational sessions unless registered as an attendee. Exhibit reps who wish to register as an attendee are not eligible to obtain a syllabus unless they are also a registered healthcare provider.

Exhibits and exhibitors must comply with all relevant Mayo Clinic, American Medical Association, and Accreditation Council for Continuing Medical Education policies.

At the discretion of the meeting organizers, exhibitors may be permitted to attend one or two talks or presentations within the activity without payment of a registration fee. Exhibitor representatives shall not be invited to, or included in, attendee or faculty dinners within the activity program. Mayo Clinic considers including representatives of exhibitor organizations in such events to create a perceived conflict of interest that may negatively influence attendees' view of the event, Mayo Clinic, or Mayo Clinic representatives.

Exhibitors shall not distribute materials of a promotional nature to participants. Providing items for healthcare professionals' use, even if they are practice-related items of minimal value, may foster misperceptions that company interactions with healthcare professionals are not based on informing them about medical and scientific issues. Such non-educational items should not be offered even if they are accompanied by educational materials.

Each exhibitor must make provisions for the safeguarding of their goods, materials, equipment, and display always. No formal security will be hired for this meeting. It is understood that Mayo Clinic is not liable for any loss or damages to property or personal injury caused by the exhibitor or his agents, representatives, employees, or any other

persons. It is further understood and agreed that Mayo Clinic shall not be held liable to an exhibitor for any lost profits, sales, or business opportunities or any other type of direct or consequential damages alleged to be due from a breach of these policies.
