

## Exhibitor Request

### 2024 Mayo Clinic Vascular Symposium

#### April 18-20, 2024

Dear Healthcare Education Supporter,

On behalf of the Mayo Clinic Department of Cardiovascular Medicine and the Gonda Vascular Center, I am pleased to announce our upcoming course, [2024 Mayo Clinic Vascular Symposium](#), which will be held at the Ritz-Carlton in Amelia Island, FL from April 18-20, 2024.

The purpose of this conference is to not only provide an overview of the current issues in peripheral vascular disease, but to step into the future of peripheral vascular disease evaluation and management with sessions on the application of genomics and robotics. Through didactic and interactive sessions, this conference will highlight the multidisciplinary approach to peripheral vascular disease including: vascular surgery, vascular medicine, interventional radiology, cardiology, and other specialties at Mayo Clinic. In the past we have had around 100 participants at this event.

This letter is an invitation to exhibit only. You will be provided with a 6' draped table and will be appropriately recognized to our attendees. The exhibit space will be available throughout the entire event and the participants will be encouraged to interact with you during the morning and afternoon breaks as well as lunch time. The program will follow ACCME industry guidelines. Invitations to exhibit have been extended to several companies. The exhibit fee is **\$2,500**. To participate in this program, please complete/sign the enclosed Exhibitor Agreement and Exhibitor Registration Form. The funds (made payable to Mayo Clinic, Federal Tax ID # 41-6011702) must be received by **April 1, 2024**. Please return your completed forms to the meeting planner below.
